Kalyan

Subject: Request for Medical Emergency Support and Ambulance Services

Respected Sir/Madam,

Shree Dnyanraj Mauli Shikshan Seva Mandal's Achievers College of Commerce & Management (Night College), affiliated with the University of Mumbai, and was established in 2013. The college offers nine undergraduate and three postgraduate programs and is the first in Maharashtra to have a UGC-recognized Ph.D. research centre. It is also an ISO-certified institution. Over the years, the college has successfully organized five international and four national conferences and has earned a strong reputation in Kalyan and the surrounding areas.

On behalf of **Achievers College of Commerce and Management, Kalyan (W)**, I would like to formally request your esteemed hospital to extend medical emergency support and ambulance services to our institution whenever required.

Achievers College is committed to ensuring the health, safety, and overall well-being of its students and staff. Our campus provides primary healthcare facilities through a dedicated Health Centre that includes scheduled medical consultations by a qualified doctor, full-time nurse/medical assistant support, first-aid and emergency care, treatment for minor illnesses, basic health monitoring, observation facilities, and referral services for serious conditions.

In addition to basic medical services and the college regularly conducts preventive healthcare initiatives such as annual health check-up camps, vaccination drives, awareness workshops on hygiene, nutrition, lifestyle diseases, stress management, and blood donation camps in collaboration with recognized health institutions. We also provide mental health support through counselling services and referral to professional psychologists/psychiatrists when required.

Despite having these facilities, the need for immediate advanced medical intervention may arise in cases such as:

Add : Joshi Baug, Malhar Nagar, Santoshi Mata Mandir Road,
Kalyan (West) - 421 301 | Tel.: 9920892909 / 9167952909
E-mail : achieversraj@yahoo.co.in | Website : achieversccm.ac.in

- Severe injuries or accidents on campus
- Sudden medical emergencies (cardiac issues, respiratory distress, unconsciousness, etc.)
- Sports-related injuries
- Serious health complications requiring hospitalization
- Emergency referrals from our Health Centre

Considering the large number of students and staff on campus, timely access to professional emergency care and reliable ambulance services is essential. Therefore, we kindly request your hospital to provide prompt medical assistance and ambulance support whenever an emergency situation arises.

The college administration assures full cooperation and immediate communication with hospital authorities in case of any such requirement. We are willing to comply with all necessary formalities, documentation, and service charges applicable for the support provided.

We sincerely hope for your cooperation in ensuring a safe and secure environment for our students and staff.

Thanking you in anticipation.

Yours faithfully,

Principal
